Archdiocesan Safe Environment Policy

The Archdiocese of Los Angeles is committed to the Gospel message in our efforts to protect our children from child sexual abuse. All of us have a role to play in the commitment.

“Through the archdiocese's safe environment programs, policies, and procedures covering training, background checks, and safe environment training and education, we receive our children and young people in Jesus' name. We pledge to protect their innocence by being the ears, eyes, and voices of children, young people, and vulnerable adults to prevent abuse and harm in our churches, schools, homes, and communities.

All principals, teachers, administrators, staff (including paid staff and volunteers with staff responsibilities), and coaches (including paid and volunteer coaches) who work at Pomona Catholic School are fingerprinted under the California Education Code and pass a background check before they commence any assignment. All fingerprints are submitted to the California Department of Justice and the FBI.

Any adult volunteer, including volunteer coaches, parents/guardians, people assisting in the classroom, and others who have regular contact with students or minors at Pomona Catholic School in a manner similar to paid personnel in a comparable role, will be subject to fingerprinting under the California Education Code.

Concurrent with the first time they participate in any programs or activities at a location, all staff, whether paid or volunteer, and all volunteers who work in any capacity with or around children, the elderly, or people with special needs are required to complete the initial three-hour VIRTUS® Protecting God's Children for Adults program. These adults will sign annually the Archdiocese of Los Angeles Guidelines for Adults Interacting with Minors at Parish or Schools.

Individuals who act as coaches in the Catholic Youth Organization or as part-time coaches in CIF-sanctioned school programs (but have no other assignment in the archdiocese) are required to participate in the Play Like a Champion Today program. They may meet the safe environment training by participating in the Play Like a Champion Today program, but they are encouraged to participate in the VIRTUS® Protecting God's Children for Adults program. In addition, the particular school or parish for which they are coaching may require such participation.

All middle and high school students should recognize that while they are engaged in service or activities that involve children or youth, they are role models who are called to treat each child or youth with respect and care. These students will be advised of The Archdiocese of Los Angeles Guidelines and Code of Conduct for Middle and High School Youth Working of Volunteering with Children.”

POMONA CATHOLIC SCHOOL- STUDENT NON-DISCRIMINATION POLICY

Pomona Catholic School is mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

“Catholic schools must be seen as meeting places to those who wish to express Christian values in education. The Catholic school, far more than any other, must be a community whose aim is transmission of values for living. Its work is seen as promoting a faith-relationship with Christ in whom all values find fulfillment. HISTORY OF POMONA CATHOLIC SCHOOL

Early in 1898 Father Fisher of St. Joseph Parish in Pomona extended an invitation to the order of the Holy Name of Jesus and Mary from Oakland to investigate the possibilities of opening a school in Pomona. After some deliberation, the offer was accepted and the Academy of the Holy Names was constructed. In 1927, the old school building was destroyed by fire. Since the damage was so extensive, it was decided to completely rebuild the structure. As a result, the present edifice was constructed in 1928.

The need for a coeducational high school had been apparent for many years. Only two and one-half percent of the Catholic teenagers in the valley were attending Catholic high schools. In 1948, the Right Reverend Monsignor Thomas P. English, in collaboration with the St. Joseph parishioners, decided to buy the academy and open a coeducational high school. The Felician Sisters accepted the invitation to staff the school.

Pomona Catholic High School (originally called St. Joseph High School) was dedicated by James Cardinal Francis McIntyre, Archbishop of Los Angeles, in 1952. In 1954, the school received accreditation status with the Office of Relations with Schools – University of California.

Eventually, to meet the needs of rapidly increasing enrollment, it was proposed that Pomona Catholic become an all girls' school, and a boys' high school be opened in the valley area. In 1958, the Old Bonita High School site was purchased by the Archdiocese and remodeled to meet modern standards. It officially opened in 1959 as Pomona Catholic Boys High School, later changing its name to Damien High School.

The Pomona Catholic High School became an all girls' school when the last class of boys graduated in 1962. Since that time, the school has been dedicated totally to preparing girls to meet the demands of today's world as mature Christian women.

On April 1, 1979, Pomona Catholic became an Archdiocesan high school.

On July 1, 2011, Pomona Catholic opened as a middle/high school. The high school remains an all-girl secondary school. The middle school opened as a coeducational program for grades 6, 7, and 8. Pomona Catholic has been involved in a Cultural Exchange for decades, this continues to be a part of the experience for all students.

ADMISSIONS

NON DISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, or national and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic and physical abilities and the resources available to the school in meeting the student's needs.

INCLUSION

As a Catholic school, every attempt is made to serve students whose parents desire a Catholic education. Although a full range of services may not be available to every student, the school will strive to include students with varied learning needs. All educators in Catholic schools follow "Directions for the Inclusion Process in Catholic Schools: Support Team Education Plan Process (STEP)". Parents or guardians who feel that their student may need a minor adjustment to enable him/her to participate in the general education curriculum of the school should talk to the student's teacher and principal to implement the STEP process. Parents or guardians who need a structure for resolution of complaints arising out of a student's disability may request the "Disability Discrimination Complaint Review Process" from the principal.

ADMISSIONS PROCESS

All prospective students of Pomona Catholic must formally apply with the Admissions Office to begin the admissions process. High School and Middle School applicants pay a \$75.00 non-refundable application fee at the time of application. The fee covers the cost involved in processing the application. International Student applicants please refer to the "International Student Admissions Process" section.

High School Applicants

All students applying for the 9th grade must take the High School Placement Test at a time scheduled by the Department of Catholic Schools and Pomona Catholic. The \$150 testing fee is waived for Pomona Family of Catholic Schools (Pomona Catholic Middle School, St. Joseph, Pomona, and St. Madeleine) and for students that have submitted their formal application to Pomona Catholic. The results of these examinations and essay evaluations are used for academic counseling and course placement. Students may test at other Catholic high schools and have scores sent to Pomona Catholic. Please note: all 9th grade applicants are required to test at Pomona Catholic in order to be eligible for any private scholarships offered through Pomona Catholic.

In addition to the application, High School applicants must also submit the following documents to be considered for admission:

- 2 Letters of Recommendation (from current Principal, Math Teacher, and English Teacher)
- A copy of her most recent report card or transcript
- Immunization Records (please see complete list in the "Health Records" section)

High School applicants must also complete a student admissions interview as scheduled by the Office of Admissions. High School applicants, with completed Admissions Files, will be notified of acceptance no earlier than the first Friday of March, as directed by the Department of Catholic Schools.

Middle School Applicants

In addition to the application, Middle School applicants must also submit the following documents to be considered for admission:

- A copy of his/her most recent report card or transcript
- Immunization Records (please see complete list in the "Health Records" section)

Middle School applicants, with completed Admissions files, will be notified within two weeks.

INTERNATIONAL STUDENT ADMISSIONS PROCESS

Foreign students will apply to Pomona Catholic School through the International Students' Counselor. During the application process it will be determined if a student needs an I20 to obtain a visa for travel or transferring an I20 from another American school. Students with F visas will need to refer to the supplemental handbook for policies, procedures and rates affecting F1 and F2 visas. Students who are green card holders are considered to have a domestic status. Students will receive an acceptance packet at the time the I20 has been issued informing of the steps for registration.

REGISTRATION

All current and newly admitted students must formally register with the Admissions Office before the first day of the school year. A non-refundable registration fee of \$600 for High School and \$400 for Middle School is due at the time of registration and before June 1st. Fees are subject to change. International Students please refer to the "International Student Registration" section.

New Student Registration requires the following:

- Registration fee paid
- Creating a FACTS account
- Completing a Tuition Agreement form
- High School students will schedule an appointment with the Counselor to make course selections

Current Student Registration requires the following:

- Registration fee paid
- Verifying and updating student information, parent/guardian contact information, and emergency contact information in the online Student Information System FACTS.
- Completing a Tuition Agreement form
- High School students will complete a Course Schedule Worksheet

INTERNATIONAL STUDENT REGISTRATION

All international students will work with the Director of International Students and International Student Counselor to re-register for the next school year.

HEALTH RECORDS

The following immunization records must be on file:

- TDAP, TDAP II
- DPT (Diphtheria, Pertussis, Tetanus) and boosters
- 3 Polio shots and boosters
- 2 MMR's
- Hepatitis B
- Tuberculin test (PPD)

No student will be accepted to Pomona Catholic without the required immunizations. The State Department of Health, with Senate Bill 942, has made it mandatory that every student show documentation of required immunization before admission to classes.

All registered students must provide current parent/guardian contact information, emergency contact information, and current medical information at the time of registration. Parents are responsible for updating this information as changes occur. Failure to provide this information by the first day of school may result in non-admittance until the information is received.

ATTENDANCE

Notice of a student's absence must be phoned into the Main Office by the parent or guardian no later than 8:00 am of the day of absence. Attendance Office phone number: (909) 623-5297 ext. 300. Please leave a voicemail with the student's name and reason for absence, if no answer.

NOTE: Frequent absences jeopardize academic credit. Regular and on-time attendance is vital to the student's success.

- A student who misses more than **15 days of school** is subject to having to repeat the entire school year after an Administrative review.
- After a student has accrued 15 absences, the only further acceptable absences will be those that come from a doctor on medical letterhead. Any work or tests missed as a result of absences beyond 15 and not accompanied by a doctor's letter may not be made up.
- If a student misses 3 or more consecutive days, the student may not be permitted to attend co-curricular activities until the student returns for a full day of school.
- If a student misses 3 more consecutive school days, a health care provider's medical clearance is required for readmission. Clearance must be from a medical professional on original medical stationery and indicate the date(s) of the absence and reason for the absence. Clearance must be given to the Main Office. (Medical offices will print multiple statements, if requested. An original must be requested for the school.)
- In the event of prolonged absence due to illness or hospitalization, the parents/guardians of students are asked to communicate with the school which will coordinate assignments.
- On a day when a student has been absent, or arrives after 11:00 AM (records as a half-day absence), the student will not be permitted to participate or attend in any afternoon or evening school activities/sports/drama. This includes dances or productions in which tickets have been purchased. The student's absence from school forfeits attendance without reimbursement.
- Students who miss a school day or any portion of the school day without parental authorization and/or school authorization will be considered truant. In such cases, the absence will be ascertained by the Attendance Office and/or Vice Principal. A verified truancy will issue a student detention and count towards accrued absences. Further truanies will escalate discipline measures.

Valid reasons for student absence include illness, medical appointments, court summons, legal proceedings, death in the immediate family. All absences will be recorded. Daily as well as class period absences will also accumulate and be recorded. Students with valid reasons for absence are responsible for the classwork/homework missed. Students are encouraged to make arrangements for completing this work.

School-sponsored field trips, retreats, conventions, meetings, and other school-related appointments are not counted against a student's attendance record. School-related absence codes will be used so that such activities sponsored by the school will not accrue towards absence totals.

Records and notes are kept on file for legal verification. Falsified excused notes authored by a student will incur disciplinary action. Each student, regardless of age, must have a note signed by her/his parent or guardian for every absence.

Medical /dental appointments during the school day are highly discouraged and should be scheduled outside of the academic day whenever possible.

ABSENCE ALERTS/TRUANCY ALERTS

Absence reports will be generated daily by 9:00 AM by the Main Office. Any student marked absent for the first period of the day without notice from parents or guardians will receive an alert of truancy. Both parents and students will be notified. Students whose parents or guardians report absences or tardies to the Main Office prior to 8:00 AM will be excluded from such Attendance Reports and Truancy Notifications. Students who are confirmed truant will be issued a detention. Recurring truancies will escalate discipline measures and jeopardize continued enrollment.

TRUANCY

A non-valid or non-reported absence is considered truancy thus, subjecting the student to the following consequences:

- Administration will utilize the policies outlined in the Discipline section of this handbook to assess penalty for truancy.
- If necessary, the student will be placed on an attendance contract or social probation.
- Only adults on student emergency contact information may report an absence to the school.

TARDINESS

Student arrival time is 7:55 AM. Students should be in their assigned seats at 8:00 AM. A student is tardy when not in their class/seat at the time of the 8:00 bell. Attendance is taken within the first 10 minutes of each class period. After 10 minutes, a student entering class must go to the main office to obtain a tardy slip. This prevents disruption to the learning in progress. Students may obtain a yellow Hall Pass from teachers or administrators when they are being admitted to class late and the tardy is excused due to school-related activities.

Tardies are recorded daily in the Family Portal. Students may be assigned detention for frequent tardiness. Recurring and continued tardiness may result in a Parent Conference and Attendance Contract and could jeopardize the student's continued enrollment.

SENIOR FLEX/HOMEROOM ABSENCES

A Senior who is absent or tardy to Flex Period or Homeroom 10 times (or any combination thereof) in one semester, her Senior Privileges will be reviewed and/or revoked.

ATTENDANCE REVIEW

A student who misses more than 8 days of school in any given semester, or 15 days over the course of a school year, may be denied academic credit for classes. The Vice Principal will issue an attendance warning notice that the student is close to surpassing the allotted absences and is in danger of receiving a failing grade. An attendance review by the administrative team may result in the student being asked to leave Pomona Catholic School due to excessive absences. Progress must be made on a consistent basis towards graduation.

Attendance Reports will be communicated home at the conclusion of each quarter for students with excessive absences. Students with 4 or more absences during any given quarter risk credit for courses.

FAMILY EMERGENCY

If a family emergency arises, the family is asked to contact the Main Office. The student will be called to the office to receive the message. **Students are not allowed to use cell phones while in class.** (See cell phone policy.)

VACATIONS (Time away from school)

Students are discouraged from taking vacations during school time. These days are counted as absences. Families are asked to contact the Vice Principal by written note at least two weeks prior to departure. Grades may be affected due to absence. An early exam fee of \$100.00 per class period will be charged if a student must take semester exams early. Forms are available in the Vice-Principal's office and must be received three weeks prior to exams.

WITHDRAWING STUDENTS

Parents intending to withdraw their student from Pomona Catholic must notify the Admission's Office at least two weeks in advance.

Students will not be cleared to withdraw until their parents have officially indicated the pending withdrawal, the reason for it and the destination. In addition, all tuition and fees must be paid. All books and materials returned to their respective departments before clearance is given to transfer transcripts. An exit interview with Admissions is required in order to release transcripts. The school grants full credit for all work a student accomplishes up to the time of withdrawal.

CODE OF CHRISTIAN CONDUCT COVERING STUDENTS AND PARENTS OR GUARDIANS

The students' interest in receiving a quality, morally based education can best be served if students, parents and school officials work together. Normally, differences among these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents or guardians to withdraw their children.

It shall be an express condition of enrollment that the students and parents or guardians shall conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to any policies or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

- Parents or guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.
- Students and parents or guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
- Any parent or guardian or other person whose conduct in a place where a school employee is required to be in the course of his or her duties materially disrupts class work or extracurricular activities or involves substantial disorder is guilty of a misdemeanor. This statement does not apply to any otherwise lawful employee concerted activity, including but not limited to, picketing and the distribution of handbills.
- Any parent or guardian, or other person who insults or abuses the principal or any teacher in the presence of other school personnel, students or parents and at a place which is on school premises or public sidewalks, streets, or other public ways adjacent to school premises or at some other place if the principal or teacher is required to be at such other place in connection with assigned school activities, risks the continuation of his or her child in the school.
- These expectations for students and parents or guardians include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.).

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without warning and/or without an intermediate step short of withdrawal.

RECOMMENDED TRANSFER RESULTING FROM PARENTAL ATTITUDE

Under normal circumstances a student is not to be deprived of a Catholic education on grounds relating to the actions or attitudes of parents; it is recognized, however, that a situation could arise in which the uncooperative or disruptive attitude of parents or guardians as described above might so diminish the effectiveness of the educational process that continuation of the student in the school may be impossible. In such a case, it is imperative that the opinion of the principal regarding the practical impossibility be sustained from a pastoral point of view by the pastor. The regulations governing recommended transfer would then be applicable.

CUSTODIAL PARENT RESPONSIBILITIES

Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the Principal's Office. The school will not be held responsible for failing to honor arrangements that have not been made known. It is the responsibility of the parents, custodial or otherwise, to request mailings under separate cover of school records and information. This request needs to be in writing and filed with the Main Office.

MARRIED STUDENT POLICY

Central to the philosophy of archdiocesan/parish secondary schools is the belief that parents are the primary educators of their children. In support of this, the school and the parents work in close collaboration in all aspects of the student's educational process. Since a married student is in effect no longer accountable to a parent or guardian, the relationship between the school and the parent is compromised. Therefore, any student who marries may not be allowed to attend an archdiocesan/parish secondary school. The principal is expected to confer with the Regional Supervisor before making any final decision.

POLICY ON STUDENTS NO LONGER LIVING WITH PARENTS/GUARDIANS

Central to the philosophy of archdiocesan/parish secondary schools is the belief that parents are the primary educators of their children. In support of this, the school and the parents work in close collaboration in all aspects of the student's educational process. A student not living in the home of a parent or guardian may not be allowed to attend an archdiocesan/parish school. The principal is expected to confer with the Regional Supervisor before making any final decision.

EMANCIPATED OR EIGHTEEN YEAR OLD STUDENTS

All school regulations apply to students who are emancipated or eighteen years of age as long as they are enrolled in the school.

HEALTH SERVICES

HEALTH ROOM

If a student becomes ill during the day, he/she should report to the Main Office. Before going to the Main Office, the student must first get a Health Office pass from his/her teacher during the current period. No one will be admitted to the Health Room without a pass. If the Health Room attendant judges that the student should be sent home, she/he will contact the parents or guardian listed on the student's emergency information. Should the student need to leave school due to illness, the Clerk will contact the parents or their representatives listed on the emergency information card. The student will remain in the Health Room until he/she is picked up by her parents or their representative. The parents will determine who will take the student home. Students who drive may only leave after the parents have been notified by the Office Clerk.

A student who requires the attention of the Health Room for more than two periods needs to go home for the day and is not able to participate in school activities.

INSURANCE

All students are covered by the Archdiocese Insurance Plan during school hours and when involved in school-sponsored and supervised activities. Accidents should be reported promptly to the Main Office and claims filed with the Insurance Company. Claim forms are available in the Main Office.

AUTO ACCIDENTS

If a student is injured or involved in an accident on the way to school, at school, or on the way home from school, he/she must report it to the office immediately. If medical attention is needed, the parents will be notified and asked to decide whether the student should be taken to the hospital or if parents prefer to personally transport the student to their private physician. If neither parent can be reached, the school reserves the right to make the decision to transport the student to the nearest hospital. Neither the school nor its personnel will incur financial responsibility for the transportation or treatment of the student.

MEDICATION/MEDICAL NEEDS

If a student requires medication during school hours, the medication must be sent to school in the original container with the doctor's instructions on the label. Over-the-counter medication must also be in the original container. Medications are to be kept in the Health Room. The school must have a dated note and parent signature, giving the school permission to administer the medication. If an asthmatic student must keep his/her inhaler on his/her person, this must be noted on the student's emergency information. Middle School students may keep their inhalers in the Main Office/Health Room.

It is the parents' responsibility to inform the Main Office of a student's unique medical needs and/or conditions, and any changes as they may occur. It is also the parents' responsibility to share with the Main Office their consent to share that information, as needed, with other faculty and staff.

STUDENT ACADEMIC POLICIES AND SERVICES

MIDDLE SCHOOL CURRICULUM

On July 1, 2011, in cooperation with the Archdiocese of Los Angeles, Pomona Catholic School opened as a middle/high School. Under the direction of the Principal and the Vice Principal, the middle school serves to support this time of rapid educational, social, and athletic development. Students are encouraged to engage in personal reflection, as well as community service and involvement all of which support their spiritual growth and identity.

SCHEDULING

Students at Pomona Catholic arrange their own academic programs under the supervision and approval of their parents and the Guidance Counselor. Permission to drop a course may be granted only in specific cases with parent permission. Classes may not be added or dropped after week two of the semester. (See **Schedule Changes** below).

College Preparatory Courses are designed for students who need moderate emphasis on the basic skills of courses.

Honors Courses are designed for students whose command of the basic skills enables them to pursue a more detailed study of the course.

Honors and Advanced Placement Courses

Students will be permitted to enroll in honors and AP classes when they meet departmental requirements. These requirements may include: reading above grade level on the STAR exam, achieving a specified grade in a prior survey course, teacher recommendation, and/or recommended by AP Potential (College Board) from PSAT scores. Students who do not meet requirements may appeal in writing to the Guidance Counselor.

Students admitted to honors and AP courses will have to complete required summer reading and assignments handed out prior to the completion of the previous school year. Failure to complete these assignments will result in being dropped from the course. Instructors will communicate all assignments and expectations for their respective courses.

Advanced Placement courses are designed by the College Board. AP courses include a very rigorous curriculum, **and a required national exam every school year in the month of May.** Failure to complete the year-long course and/or take the exam will result in the following:

- AP designation removed from transcript
- GPA re-assignment
- College application mid-year report alteration; colleges will receive an updated course transcript
- Juniors who do not take AP exams will be ineligible to enroll in AP courses senior year

Dual Enrollment and Special Admit Program

Important note: Pomona Catholic's program involves educating the whole student. The program is designed for students to be present at school for the full day. Students who elect to take courses off campus are expected to be present for the full day of school. It is expected that students completing dual enrollment courses will successfully manage a full course load and complete college courses outside of their regular school day. Pomona Catholic curriculum and experience are the priority.

All students intending to pursue an Associate's Degree through dual enrollment are required to complete a formal contract provided by Pomona Catholic Administration.

Dual enrollment courses at a community college are permitted when:

- Student is in good academic standing at Pomona Catholic
- Student is in good standing with attendance records and behavior
- Student is approved by counselor to register for course/s

Students should take all of their courses in residency at Pomona Catholic. In the rare situation and with permission from the Counseling Office, once all other scheduling efforts have been exhausted, students may enroll at approved off-site schools to take courses eligible towards graduation requirements.

Important note: Pomona Catholic's program involves educating the whole student. Students who elect to take courses off campus are expected to be present for the full day of school. Leaving campus early or arriving late impacts the student experience. These arrangements will be made on an individual basis and with the approval of administration.

SCHEDULE CHANGES

A student may drop a class until the end of the second week of the semester for a semester or year-long class. Any dropped class after the third week may result in receiving an "F" on the permanent record.

The Add/Drop Deadline for the 2025-2026 School Year is: Friday, August 29, 2025.

An Add/Drop Request Form must be submitted **and received** by an administrator by this date to be considered. Email requests will not be accepted. Parent and teacher signatures are required on the form prior to submission. Add/Drop Request Forms can be requested from any teacher or administrator.

No schedule change may be allowed if the current progress is not at "C" level and /or homework assignments are current. Consultation with the Guidance Counselor is required.

Grade Point Average

The grade point average is calculated by dividing the total number of grade points earned by the number of courses attempted. The present grading system and the grade point assignment is shown below.

Class Rank and Quality Points

Class rank is determined by assigning a "weighted" value to each course according to its phase. Greater "weight" is assigned to the higher phase levels. Class rank is determined by dividing the total weighted grades by the total number of courses taken. **Class rank is only used for internal school use. Ranking is not reported to colleges.**

Weighted Values (Used to calculate GPA)

Grade System	AP Classes	Honors	College Prep
A+ 100 - 95	4.50	4.25	4.00

CRITERIA FOR THE SELECTION OF THE VALEDICTORIAN AND SALUTATORIAN

The criteria for the selection of the Valedictorian and Salutatorian include:

1. Leadership
2. A record of service to the Pomona Catholic community during the student's high school career
3. Noteworthy academic achievement
4. Ability to compose and deliver a speech

The process for the selection of the Valedictorian and Salutatorian is as follows:

1. Only seniors who have completed seven semesters at Pomona Catholic are eligible to participate. At the end of the 3rd quarter, the list of seniors with GPA's of 4.0 or above will be distributed to the faculty.
 2. These seniors will be invited to apply for the positions by completing an application questionnaire which will address, in particular, the areas covered by the election criteria
 3. The application questionnaire will be made available to the faculty and the faculty will be invited to recommend superior applicants.
 4. Each of the four students will be invited to deliver a three-minute speech before a panel of alumni judges.
 5. All of the faculty will be invited to comment, in writing, on any of the finalists.
 6. The Valedictorian and Salutatorian are selected based on the results of the speaking process, the student applications and the input of the faculty. Using the criteria for selection, the alumni panel will submit the name for final approval to the principal.
 7. The Valedictorian and Salutatorian will speak at graduation.
 8. The runners-up candidates will be invited to participate in the Mass at graduation and at the Senior Breakfast.
- Only courses taken at Pomona Catholic will be considered for Valedictorian/ Salutatorian selection.
 - Only courses taken at Pomona Catholic will be considered in cumulative Grade Point Average (GPA).

The top seniors will be notified at the end of the third quarter that they are candidates for Valedictorian or Salutatorian. All candidates will prepare speeches at the end of the second semester. The valedictorian and salutatorian will be announced when final grades have been averaged. Disciplinary action may disqualify a student from valedictorian or salutatorian. Campus Ministry, ASB and Pass/Fail classes will not be included in the GPA calculation for Valedictorian and Salutatorian.

The top ten percent (based on GPA unweighted) qualify for membership on the Junior Honor Guard. Students will be notified after 5 semesters of academic work.

Participation in senior events and the graduation ceremony is a PRIVILEGE. All tuition, fees, etc. must be current for a student to participate in graduation and attend events such as Prom, Grad Night, Senior Breakfast, etc. The privilege to participate in graduation may be revoked if the student does not earn all credits required to graduate with a passing grade, or has serious violations on her disciplinary record. Students who are deficient in credits and have failing grades will have their case reviewed by the administration.

Families of Seniors and 8th graders - all financial charges must be paid prior to semester finals in order for students to participate in any graduation activities.

Courses taken over for a higher grade will be posted on student's transcript, but will not be considered for honor roll or NHS, Pomona Catholic Scholar's Society eligibility.

All original grades are posted on transcript, even if the course is retaken.

PUPIL RECORDS/TRANSCRIPTS

Institutions of higher learning require a transcript of courses and credits at the high school level. Middle School students will require transcripts when applying to high school. When transferring to another high school or middle school, a request for transcripts of credits earned at Pomona Catholic can be obtained by filling out a Transcript Request form found in the Main Office. Each official transcript cost \$5.00 each. A parent may receive an unofficial transcript if they are clear of any obligations to the school, financial or otherwise. Transcripts will be held until all financial obligations are complete or a written agreement has been made by the Principal. Transcripts are updated only at the end of each semester.

Requests for same day transcripts cannot be honored. During exams, college application time and graduation, transcript requests may take 7 – 10 business days to complete.

*All theology courses are residency requirements. There are no substitutions for Religion curriculum.

High school students must take 24 credits while at Pomona Catholic. Students must complete 22 credits as a minimum graduation requirement. The additional two credits give the student the opportunity to expand her knowledge and creativity through electives.

A student must make up credits which she has lost due to failure. A final grade of "F" in a required course in either first or second semester necessitates repeating the same course or an equivalent course in the same area in order to receive credit. It is the student's responsibility to make an appointment with the Counselor if an "F" grade is received in any semester.

Credit lost due to failure in a non-required course may be made up by taking another course if the credit is needed for graduation.

Students should take all of their courses in residency at Pomona Catholic. In the rare situation and with permission from the Counseling Office, once all other scheduling efforts have been exhausted, students may enroll at approved off-site schools to take courses eligible towards graduation requirements.

A full year of Physical Education is required to graduate. Those students who participate in a varsity sport may have one semester of PE credited. The other semester is mandatory and fulfills the health requirement.

HONOR ROLL

Eligibility for Honor Roll is a 3.5 GPA. Eligibility for Principal's Honors is 4.0. A candidate for Honor Roll may have no grade of D, F, or Incomplete.

COLLEGE/CAREER COUNSELING

The college and career department seeks to foster student enthusiasm for learning, development of good study habits and the investigation of college opportunities. The department also facilitates the college application process for students. Financial aid workshops, brochures, and college catalogs are a few of the services offered. Parents and students may visit the Guidance Counselor during lunch, before or after school or by appointment. Spanish materials are also available. Students are advised to check the College Board, student board (in the main hallway) and announcements regarding college visitations, student employment and scholarship opportunities.

EXTENDED LEARNING CENTER (ELC)

This area is devoted to independent study and tutoring. The Center is open 7:30 a.m. until 1 hour after the school schedule, depending on supervision. The ELC is the hub for the Pacer Step Up Tutoring Club. Reference books may only be used in the library and are not available for check out. Chromebooks are available for student use in the ELC, and may not be removed from the room.

Students may not bring food/beverages in the ELC. It is essential that the ELC remain quiet for those studying and testing; therefore, students not working or following posted rules will be asked to find another space better suited to their activity. When the ELC space has reached a maximum capacity, a student may be asked to move to another space for the time. Students may not sit on the floor.

ACADEMIC SUPPORT

Teachers are available for one hour every day after the school day concludes, Monday-Friday. This allows for students to work with teachers in small groups.

Teachers may not be paid for tutoring students assigned to their classes. With prior permission from the principal, teachers may tutor other students who attend the school and be paid for such tutoring by the parents.

Pomona Catholic may arrange with independent contractors or entities, who are not teachers or staff at the school to provide tutoring on a fee basis. Independent entities must have appropriate licenses, agreements for use of the premises and insurance. All tutors and entities must comply with the procedures and policies of the extended day program and the *Archdiocesan Guidelines for Adults Interacting with Minors at Parish or Parish School Activities or Events*.

PARENT CONFERENCES

Faculty members welcome every opportunity to meet with parents. This acquaintance will result, almost invariably, in more effective learning on the part of the student. Students should welcome and encourage meetings between their parents and their instructors, especially if there seems to be some misunderstanding related to grades or school life. Appointments should be scheduled for times outside of class hours.

Formal Parent-Teacher conferences are scheduled two times a year, once in the fall (November) and once in the spring (March). Parents will be invited to sign-up for conference appointments by individual classroom teachers. Parents are strongly encouraged to attend.

PARENT-TEACHER-STUDENT MEETINGS

When a failure occurs, bad habits are evident, or other poor performance is indicated the parent(s) and student are requested to meet with the teacher and Counselor.

Parent-Teacher-Student meetings are scheduled as needed. The meetings provide the opportunity for all parents/guardians to discuss the progression of the student. Parents are encouraged to contact teachers at any time concerning the progress of their students.

INTERNATIONAL STUDENTS

Pomona Catholic School welcomes the opportunity to diversify the school community and exchange cultures with foreign students seeking to achieve academic goals in middle and high school. The International Student program provides a supplemental handbook to more clearly describe and define the processes and programs specific to students of foreign citizenship.

PARENT/STUDENT COMPLAINT REVIEW PROCESS

Concern for the dignity and rights of each person are intrinsic to the Church's mission as a true witness to the spirit of the Gospel. Circumstances may give rise to conflicts among students, parents and school staff. All parties are encouraged to use every available means to resolve these conflicts when they occur. However, if the involved parties are unable to resolve their conflicts, families may use the Parent/Student Complaint Review Process for additional assistance. All those participating in the Complaint Review Process are responsible to strive toward reconciliation and act in good faith. Legal representation is not permitted at any meeting or mediation of the Complaint Review Process. Any person filing a complaint is to be free from restraint, coercion, discrimination, or reprisal in any form.

SCHOOL LEVEL

1. The person bringing the complaint is encouraged to try to resolve the complaint by discussing it frankly with the persons directly involved.
2. If resolution is not achieved, the complaint should be discussed with the principal (or the regional supervisor, if the principal is the subject of the complaint).
3. After reviewing the facts and facilitating discussion of the problem the principal will respond to the person bringing the complaint.

DEPARTMENT OF CATHOLIC SCHOOLS LEVEL

- If the complaint is not resolved at the school level, the complaint may be submitted in writing to the supervisor at the Department of Catholic Schools, outlining the concerns and reviewing the local process.
- The supervisor will review the complaint (with such consultation as may be appropriate) in a timely fashion and will endeavor to mediate and resolve the matter.
- However, if no agreement can be reached, the supervisor will make a final determination concerning the resolution of the complaint, based on the application of archdiocesan and school policies and/or regulations, and communicate that determination, which will be final and binding, in writing to all parties.

ACADEMIC COUNSELING

The counselor(s) at Pomona Catholic provide developmental, preventive and remedial counseling, both individually and in groups, to assist students with the skills needed to deal with academic problems before they occur. The Guidance Department supervises each student's middle school and high school program of study and evaluates course credits each year.

ACADEMIC REVIEW AND PROBATION

Pomona Catholic reserves the right to review the academic progress of all students.

Academic Probation: If a student's GPA is below 2.0 based on the quarter grades, the student will be placed on Academic Probation. If a student receives at least one "F" in any class at the end of a quarter, he/she will be placed on Academic Probation. While on initial probation, the student may continue to participate in activities. However, the student must comply with the academic contract established with the Guidance Counselor, Vice Principal, and parents until there is improvement in grades. If grades do not improve within the initial probation period stated in the contract, the student will be placed on an extended probation period and will be removed from activities and lose the privilege to attend co-curricular activities. A student could be eligible for reinstatement in the activity when grades improve.

PROGRESS REPORTS/FAILURE NOTICES

Student academic progress is available in the Family Portal at any time. An alert will be posted at the midpoint of each quarter to check quarter progress. First and third quarter grades are considered

progress reports for semester grades. Students and parents are responsible for staying informed of progress.

FAILURE POLICY

Each "F" received for a semester grade must be made up before senior year. When a student fails a course, this also indicates the need for remediation before advancing to the next level in that subject. This will assist the student in being successful in that particular area. Before students with year-long failures return, they are required to have attended Summer School in residence at Pomona Catholic School. All coursework attempted outside of Pomona Catholic must have approval from the Counselor.

HOMEWORK

Each student should devote approximately one-half hour of study time to each course taken. This means that the total homework time should run about three hours. Students should expect that some long-term assignments will often take much longer. If no written homework is assigned, the allotted time should be used for re-reading that day's lesson, studying and reviewing or reorganizing notes and reading or preparing for the next day's lesson. A student may never claim that he/she has no homework. When long-term assignments are given, it is the student's responsibility to organize his/her time to meet deadlines. Students should write daily assignments in an assignment notebook or planner.

RE-TEACHING/ACADEMIC SUPPORT TIME

Students who have missed instruction due to absences, who are not completing assignments, or other reasons identified by the teacher will be invited to meet for re-teaching during zero period, flex period, or after school. The student will find this time useful in receiving the instruction and guidance they need to remain current with the course. Parents should expect that they will be informed, according to each teacher's stated policy. Re-teaching is not a disciplinary action taken against the student, rather a necessary teaching opportunity when a student:

- Is late or absent to school and has missed classroom instruction
- Has not completed assignments
- Has not passed assessments
- Does not have textbooks/required class materials

When a student fails to show up for the arranged Re-teaching:

- A grade of F may be entered in the gradebook
- The student may be assigned a teacher detention, according to classroom policies
- Parents and the guidance counselor will be notified

RETEST POLICY

Students may be invited by the teacher to retest under the following guidelines:

- The student tried his or her best to complete the scheduled test and communicated any difficulty with content prior to the scheduled test.
- Re-teaching takes place between the student and the teacher before the re-test, and this takes place within two weeks of the first failed grade.
- If a student does not show up for the arranged re-test, the failing grade is recorded in the grade book.
- The course syllabus will outline any additional specifics regarding retest policies in individual classrooms.

EXAMS POLICY

There is a \$100 fee for every semester exam taken outside the scheduled time. This fee covers the need to create an alternate exam, and the teacher's time to proctor. High school semester exams will not be administered to students who have not cleared their financial or other obligations. Students who do not

take semester exams due to a financial hold will be issued a zero for their exam grade. No retakes will be offered.

Teachers are available for individual and group reviews before exams during each quarter. The schedules for these review sessions are posted at least one week before the exams and are announced by teachers during class time. Students are encouraged to meet with teachers for these reviews, and to check study guides.

ABSENCES AND GRADES

If a student is absent three days or more, the Main Office should be called so that arrangements for homework can be made.

Any scheduled assignment or test missed during a day's absence must be made up as soon as possible. The teacher and student should determine time outside of class to discuss alternate learning, assignment/test, and date. In the case of a test, the student should not expect the same test. All assignments must be made up. Credit cannot be given until assignments have been completed. One day is given for each day of absence.

WARNING: A student who misses more than 8 days in one class in one semester may be denied credit in that course. Parents are responsible for maintaining a record of their student's absences in order to help her/him avoid the risk of losing course credit. Attendance records are recorded daily in the Family Portal.

The school reserves the right to review and assign judgment to each individual case.

Incomplete Grades (INC) are posted when a student has not met the requirements of the class. The student and the teacher must then work together through an individual contract, and a grade will be assigned when the contract/course requirements have been fulfilled. Students are ineligible for Honor Roll until the INC is cleared.

REPORT CARDS

Report cards are released in the Family Portal at the conclusion of each academic quarter. Parents will receive email notification when Report Cards are published and visible. It is the family's responsibility to review grades. Questions or concerns about report card grades should be directed first to the teacher. If questions or concerns continue, then the Vice Principal. Parents are encouraged to frequently monitor student progress online and communicate whenever lost instruction has occurred.

HIGH SCHOOL SUMMER SCHOOL

Courses designed to remediate a student do not qualify for academic credit. Such courses are those required for admission of entering freshmen for additional skill development, most commonly in math and language arts areas. Courses for continuing students, either to review previously learned material to guarantee mastery or to qualify for continuation in a sequence based course area do not qualify for academic credit. The availability to offer any course is dependent on the number of students who register, and a course may be canceled due to lack of students.

Summer school classes may also be taken at accredited schools pre-approved by the Guidance Counselor. An official course description is required prior to obtaining clearance. A maximum of 1 credit (two semesters) of courses may be taken in the summer before 9th grade. Approval must be granted by the Counselor prior to enrolling in a course.

In order to maintain a complete record of all credits, students should remember to transfer summer school credits to the Main Office no later than the first day of school. This is a student's responsibility.

INCLUSION PROCESS

When students are identified as needing additional academic support, whether or not related to a disability, a Support Team Educational Plan (STEP) or Minor Adjustment Plan (MAP) may be implemented. The support team may recommend minor educational adjustments based upon a student's testing history, classroom work and teacher observations. Parents have the responsibility of providing all relevant history and data to provide best possible outcomes for the student and to properly assist in the STEP/MAP team evaluation.

Whenever a referral is made to the STEP/MAP Coordinator, he/she will then instigate the STEP/MAP meeting and documentation process to identify student need. The team will determine what adjustments and strategies the student will be able to access within the Pomona Catholic School system and a STEP/MAP will be developed to improve student academic support.

IEP and 504 documents are not transferable to Pomona Catholic School but are useful in helping to understand the nature of how an individual learns best. Pomona Catholic School is limited in support resources and therefore referrals may be suggested to further assist parents in providing academic support beyond this school.

HOW TO REQUEST A MINOR ADJUSTMENT PURSUANT TO SECTION 504 OF THE REHABILITATION ACT OF 1973

If you feel that your disabled child needs a minor adjustment to enable him/her to participate in the general education curriculum of the School, please talk to your child's teacher and/or the Guidance Counselor. Be prepared to submit medical documentation to verify both your child's disability and the nature and extent of the requested minor adjustment.

STUDENTS' RECORDS

Parents of currently enrolled or former pupils have an absolute right of access to any and all pupil records related to their children which are maintained by school districts or private schools..." (Family Rights and Privacy Act, 1974).

By definition, "parent" means a natural parent, an adoptive parent, or a legal guardian. Under federal regulations "parent" includes a natural parent, a guardian, or an individual acting as a parent of the student in the absence of a natural parent or guardian. An educational agency or institution may presume that a parent has the right of access to pupil records unless it has received evidence that a state law or court order has indicated otherwise. The school accepts that the custodial parent will communicate essential information to the other parent unless notified in writing informing the school otherwise.

"Access" means a personal inspection and review of a record or an accurate copy of a record, receipt of an accurate copy of a record and oral description or communication of a record, or an accurate copy of a record and a request to release a copy of any record.

In cases of legal separation and/or divorce, California state law gives only the custodial parent the right:

- To consent to the release of records (unless both parents have notified the school in writing of a mutual agreement to permit either parent to authorize release);
- To challenge the content of records;
- To write responses to information regarding disciplinary action to be included in the record. The non-custodial parent has all the other rights of a parent.

DISABILITY DISCRIMINATION COMPLAINT AND REVIEW PROCESS FOR STUDENTS AND THEIR PARENTS OR GUARDIANS

Section 504 of the Rehabilitation Act of 1973 is a Federal statute that prohibits discrimination on the basis of disability. The purpose of this Complaint and Review Process is to provide a structure for bringing about resolution and reconciliation when disagreements arise between a school family and the school arising out of a student's physical or mental impairment or disability.

Everyone involved in the Complaint and Review Process is to be free from restraint, coercion, discrimination or retaliation in any form. You should use the Complaint and Review Process when issues arise at the School relating to your child's disability that have a significant impact on your child and you have been unable to reach a resolution with your child's teachers or other members of the School staff.

INITIAL COMPLAINT PROCESS:

1. If you have a complaint or disagreement regarding your child's disability, you should first try to resolve your complaint by discussing it promptly with the person(s) directly involved.
2. If you cannot reach a resolution or you are not comfortable with discussing the issue with the person(s) directly involved, you may bring the matter to the Principal/Middle School Director, in writing, within 15 days of the event which is the subject of your complaint. You should also send your complaint to the Archdiocesan Compliance Officer, who is charged with monitoring such complaints at:

Archdiocesan Compliance Officer
Department of Catholic Schools
3424 Wilshire Blvd.
Los Angeles, CA 90010

If you do not submit a written complaint within the 15 day period, it will be considered untimely.

3. The Principal/Middle School Director will conduct an investigation as promptly as possible. The scope and nature of the investigation will depend on the nature of the issue presented. The goal is to achieve a just resolution and reconciliation with everyone concerned. The parties are advised to maintain confidentiality. The Principal will advise you in writing of the outcome of the investigation and her/his decision within 20 days of submission of your written complaint.

REVIEW LEVEL:

1. If you disagree with the decision, you may appeal the decision in writing to the next level for review. The request for review must be submitted within 10 days of the written decision or it will be considered untimely. The request for review must be sent to the Supervisor at the Department of Catholic Schools assigned to this School. The Supervisor can be reached at: (213) 637-7313. The School Supervisor, with the assistance of the Archdiocesan Compliance Officer, will conduct the review of your complaint.
2. The School Supervisor will set the date, time and location for the review and will facilitate the review process. Your review may be conducted by a single person or by a representative committee, including the Archdiocesan Compliance Officer, as the case warrants. All persons involved in the complaint may select someone to help in preparation for the review, to attend the hearing, and to provide support during the process. No attorneys are allowed to appear at or participate in the hearing. The hearing will be set within 10 to 15 days after receipt of your request for review, giving consideration to the schedules of all persons involved.
3. At the Review Hearing:
 - a. You explain your complaint, present relevant documentation, and answer questions the reviewer(s) may have.
 - b. The reviewer(s) interview(s) other parties involved in the case, giving each an opportunity to respond to the complaint and present relevant facts and documentation.

- c. The reviewer(s) will encourage the parties to reconcile their differences and come to a mutual agreement on some or all issues.
- d. If the complaint cannot be resolved at the review hearing, the reviewer(s) will prepare a final, binding decision, which will be communicated to all parties, in writing, within 10 days of the hearing.

Your participation in this Complaint and Review Process does not prevent you from making a complaint to an applicable government agency. For complaints about discrimination, you can go to:

U.S. Department of Agriculture, Office of Assistant Secretary for Civil Rights

http://www.ascr.usda.gov/complaint_filing.html

The addresses of the government offices closest to you can be found in the front of your telephone book.

FINANCE

FINANCIAL RESPONSIBILITY

Pomona Catholic School, being a private school governed by contract law, may withhold exams and transcripts, or take other action until financial obligations to the school have been met.

Please note that students will be held from taking semester finals if their family's tuition account is in arrears or if outstanding fees have not been paid. If student tuition and/or financial obligations (sports fundraiser obligations, library, bookstore) are not cleared BEFORE SEMESTER EXAMS, STUDENTS WILL NOT BE PERMITTED TO TAKE EXAMS AND WILL NOT RECEIVE REPORT CARDS or transcripts until the account is up to date. Any detention not cleared will be assigned community service and a list of approved agencies will be given. Absence on the day of exams will not excuse late payment.

****To assure your son or daughter's ability to participate and attend all Pomona Catholic and tri-school related functions (sports trips, student social events, travel club vacations, etc.) please see that all your son and daughter's financial obligations are kept current.**

TUITION

School tuition provides the primary funds for the operation of the school. The parent/guardian of the student has a responsibility to pay all tuition and fees. The school normally accepts personal checks for payment. However, the school reserves the right to deny this privilege. Only cash, money orders and cashier's checks will be accepted at that time.

FINANCIAL AID PROGRAMS

Catholic Education Foundation: These grants are awarded by the CEF and applications are submitted in January for the following school year.

Pomona Catholic Tuition Assistance Program: An in-house scholarship program; selection is based upon financial need, student grades and Christian service. Availability is based on donations received. Families must apply using the FACTS Grant and Aid portal located at factsmgt.com/aid

Private Scholarships: Often an individual or group will donate money for a specific tuition scholarship. These will be published as they become available.

All scholarships are contingent upon donations from parents, alumni and community members. For more information or to make a donation, please call the Development Office.

PHILANTHROPY AT POMONA CATHOLIC

The Development Office aims to provide an alternative source of revenue for Pomona Catholic and an opportunity for our parents, alumni and friends to give back to our school and receive a tax deduction. Funds from the Development Office programs cover students' needs and improvements to school programs.

Importantly, our mandatory fundraisers are not development funds. The money raised from these fundraisers support general operating costs. They offset the deficit Pomona Catholic incurs by keeping tuition rates low. Families can pay this obligation as part of their monthly fees or use the fundraisers to raise that money from other sources.

Much of our additional funding is raised through foundations. Our success in grant writing has enabled us to make significant improvements to our program and the school campus. However, foundational grants are not enough. We need the community of Pomona Catholic families, friends, alumni and supporters to help us achieve our dreams.

All families agree to fundraise a total of **\$600.00** throughout the year by participating in Casino Night, PC Week of Giving, and The PC Golf Tournament.

REQUIRED PARENT SERVICE HOURS - 25 hours/family; 15 hours for single parents

Service Hours encourages families to become involved in their children's activities and provides opportunities for us to create and sustain a strong community, which creates a stronger family. We have many opportunities for parents to support either by attending, volunteering or donating to events such as Casino Night, Halloween Haunt, and Car Show. Families may opt out of service hours for \$750.

Each service hour equates to \$30.00.

Families who register for a shift on Track it Forward and do not give notice of their absence will be billed the \$30.00.

CAMPUS MINISTRY

The Office of Campus Ministry consists of the Campus Minister, Apostolic Commissioner, and a select team of Junior and Senior student ministers who see to the religious needs of the school.

The responsibilities of the Campus Ministry Team are the following:

- To build a school community.
- To proclaim the Word of God and lend direction to the moral lives of the members of the school community.
- To provide the school community with Celebrations of the Sacraments – Eucharist and Penance – and other religious celebrations according to need and occasion.
- To involve students in social action in the civic community by organizing social service projects.
- To coordinate diverse retreat opportunities for all members of the Pomona Catholic community.
- All Campus Ministers must maintain a 3.0 gpa in their courses to participate in activities throughout the year.

CHRISTIAN SERVICE

Our Catholic faith teaches that after God, people must come first. Jesus is our model in this, as in all other Christian teachings. Jesus clearly emphasized that our neighbors are to be loved, and our neighbor is every man, woman and child, but most especially those in need. In fact, the greater the need of the person, the greater our obligation to help. We are to wish for the well-being of all, for everyone has the right to life and basic human opportunities. We are to all contribute, according to our gifts, age and abilities to the common good. The true measure of a society's greatness is how it cares for its weakest and neediest members.

"Then they will answer, 'Lord, when did I see you hungry or thirsty, or a stranger, or naked or sick or in prison, and did not take care of you?' And He will answer them, 'Truly, just as you did not do it to one of the least of these, you did not do it to me.'"

Mt. 25:44-45

High School Christian Service

- It is **required** that all high school students will complete a minimum of 100 service hours by graduation. It is hoped that those hours would be served in equal part, each of the four years of high school.
- While some service opportunities may become available and may be announced at school, it is the student and family's responsibility to search for and obtain most service hours.
- All service hours must be documented and signed by an authorizing supervisor within two months of the completion of the service. Service evaluation forms are available in the Main Office, with the Campus Minister, and online.
- All service sheets must include a beginning and ending date of the service.
- Any ongoing service of more than 10 hours (one day) must be accompanied by a separate "service record" sheet, which lists the individual dates and number of hours for that date.
- No parent or other family member may supervise, authorize or sign service sheets. Students are responsible to complete all information on their service forms, both the evaluation and the service record.
- All service hours for seniors must be completed and recorded by April 30th of the year of graduation. No service hours for seniors will be accepted in the month of May.

Middle School Christian Service

We are called to serve one another and every act of service is an act of kindness which translates into an act of love for God. Because of this, Middle School students are required to complete 15 hours of Christian Service each year prior to graduating from the eighth grade.

- Middle School students must fill out the appropriate Christian Service form located in the Director of the Middle School's office and turn it in within 2 months of completing the service hours.
- No parent or other family member may supervise, authorize or sign service sheets.
- All service hours for 8th graders must be completed and recorded by May 15th of the year of graduation.
- All transfer students will be required to complete only the 15 hours of service for the school year started at Pomona Catholic.
- Please see the Campus Minister for examples of Christian Service.

LITURGICAL CELEBRATIONS

The entire school community assembles for Eucharistic celebrations or special prayer services at least once a month. Individual classes prepare the liturgies guided by the Office of Campus Ministry. All students and faculty are expected to attend religious services. Parents are welcome to join us for Eucharistic celebrations. The opportunity to receive the Sacrament of Reconciliation is offered several times during the school year.

CHAPEL

The Chapel is a special place at the heart of our school, where both students and faculty can encounter Our Lord in quiet and personal time. A Communion Service is held in the chapel every Friday at 7:30am. Teachers may schedule class visits during school as a reminder that Christ exists in the center of our day. From time to time parents and religious groups may visit the Chapel to pray for our students and families or to offer thanks to God for our community.

RETREATS

The spiritual component is a very important part of the mission and philosophy of our school, and a bonding and sharing experience uniquely designed for each class. Therefore, all students enrolled at Pomona Catholic must attend and participate in these retreat experiences.

The Middle School students will participate in a one-day class retreat on campus. The Freshmen and Sophomore classes are provided the opportunity for a one day retreat. The Junior class experiences an overnight retreat off campus. Seniors are given the opportunity for a four-day off campus retreat. These are days of Christian renewal and class unity. The Kairos Retreat is experienced during senior year and is a mandatory retreat. If students choose not to attend, the Campus Minister will work with the student on completing a service project with comparable hours.

CREDIT REGARDING THEOLOGY CLASSES

Students are graded on academic achievement in theology courses and not their religious affiliation, personal belief or practice of their faith. The theology grade indicates comprehension of the subject matter and is not an evaluation of personal holiness or the practice of religion.

DRESS CODE GUIDELINES

Students are expected to dress neatly and to observe the uniform requirements during the school day. Blouses and shirts are to be worn properly at all times during the school day. Sloppy and exaggerated attire are unacceptable. Such attire also reflects a poor image of the school to the local community. Dressing in an appropriate and neat manner signals to self and to others that school is a place where a seriousness of purpose can be found.

Students need to recognize different requirements for dress as different occasions demand. School is not unlike work or the professional world where a certain dress requirement may be expected in representing one's profession and in the performing of one's tasks.

Consistent with our educational philosophy, any clothing which contains objectionable words or symbols, such as those conveying vulgar, violent, satanic, sexually suggestive or racially discriminatory messages, or which advertise tobacco, drugs or alcohol are prohibited at all times.

Students are expected to be in compliance with the uniform at all times during the school day. Uniform violations will ordinarily result in a referral. Students improperly dressed may also be sent home to correct the attire and be assigned detentions. The faculty will supervise the daily observance for consistency and neatness. Ultimately, the administration will determine what is or is not appropriate.

On Spirit Fridays, as directed by administration, all students may wear PC spirit gear attire. Students may wear PC t-shirts or other PC shirts purchased from Ken's Sporting Goods online spirit store. Students who do not choose to participate will be in the required uniform. This privilege does not automatically transfer to the last day of the week.

All athletes may wear their designated team shirts, sweatshirts, jackets, etc with their PC skirt during their sport's season. Once the season is over, athletic gear may be worn on Spirit Fridays.

"Free Dress" or "Out of Uniform" is an occasion when students are permitted to dress out of uniform, yet consistent with the philosophy of the school. Free Dress days are approved by administration and will be announced in advance.

Students who are not following the dress code will receive one warning in the form of a referral. Any following violations will result in a detention. If the student continues to violate dress code, the Vice Principal will contact the parents and students for a meeting. The student may also be required to serve such disciplinary measures as a probation contract, loss of social privileges, or any other consequence deemed necessary by the Administration. It may also be the responsibility of the parent to replace a uniform item that is damaged, in bad condition, or ill-fitting.

All items of the dress code must be in good condition at ALL TIMES. Pomona Catholic parents are expected to replace worn and damaged dress code items immediately. This includes but is not limited to purchase of a skirt of an appropriate length, if the skirt has been altered or is deemed not appropriate in length.

STANDARDS OF BEHAVIOR

RESPONSIBILITIES OF THE SCHOOL

It is the responsibility of Pomona Catholic to:

- Establish practices and provide staff development training and age-appropriate information for students, designed to create a school environment free from discrimination, intimidation or harassment
- Make all faculty, staff, students, parents or guardians, and volunteers aware of this policy and the commitment of the school toward its strict enforcement
- Remain watchful for conditions that create or may lead to a hostile offensive school environment.

RESPONSIBILITIES OF THE STUDENT

The system of discipline in a Catholic school has as its basic purpose the teaching of responsibility to God, to self and to others. An effective discipline code contributes toward establishing a proper educational atmosphere in school thereby promoting personal, social, academic and spiritual growth. While the Principal is directly responsible for overseeing and coordinating all discipline efforts, discipline is the responsibility of everyone--students, parents, administration, faculty, and staff.

Pomona Catholic School reserves the right to review the conduct of any student while on school property and/or at school functions and of all students on an annual basis. Students whose conduct is poor, who pose a chronic discipline problem, as well as students who do not contribute to the school in a positive manner can be asked to withdraw.

It is the student's responsibility to:

- Conduct himself or herself in a manner that contributes to a positive school environment
- Avoid any activity that may be considered discriminatory, intimidating, harassing, bullying or hazing
- If possible, inform the other person(s) that the behavior is offensive and unwelcome
- Report all incidents of discrimination, harassment, bullying or hazing to the Vice Principal
- As appropriate, the victims involved may be asked to complete a formal, written complaint which will be investigated thoroughly and will involve only the necessary parties; confidentiality will be maintained as much as possible.

Students are expected to take full responsibility for their own actions as well as for their own personal growth.

RESPECT FOR PERSONS

Any threats, harassment, fighting, injury, or damage to the person or property of any person by an individual or group, is strictly forbidden. Such actions render the student liable to suspension and expulsion. Students are encouraged to show respect to each other, as well as teachers and staff at all times. Actions and comments, which may be misconstrued as inappropriate, should be avoided. Students responsible for isolating or conspiring to isolate students one from another will face administrative intervention and review.

RESPECT FOR ACADEMIC INTEGRITY

Students at Pomona Catholic School are expected to complete all assignments with honesty and integrity. Work should be a true reflection of student learning and effort. Academic dishonesty includes:

- plagiarism: use of another's words or ideas without proper citation
- cheating: improper or unauthorized use of materials on academic work
- facilitating dishonesty: knowingly allowing others to use work that is not theirs
- academic misconduct: tampering with or stealing grades, tests or other materials

The consequences for academic dishonesty will be overseen by the Vice Principal and may include consequences assigned by the classroom teacher as outlined in the course syllabus, such as, and in addition to:

- notification of parents and guidance counselor
- a zero on the work, quiz, test,
- a reduction of quarter/semester grades
- detention or suspension
- placement on academic probation
- a grade of No Credit for a class
- loss of honors, awards, or distinctions

RESPECT FOR PROPERTY

Students should take as their personal responsibility the care of the school building, the grounds, and the equipment put at their disposal. Marking or defacing the school property in any way will call for restitution and severe disciplinary action. Furthermore, if the student is guilty of serious destruction of school property or of breaking, entering and/or theft from the school the student will be liable to suspension and/or expulsion.

RESPONSIBILITY FOR STUDENT LIFE AND HEALTH

The safety and well-being of the students entrusted to us are very important. Both civil law and the Gospel demand that whatever can be done to protect God's children must be done. We are partners with the parents and guardians in the education of your child. We will notify parents of concerns regarding your child about student life or behavior that is potentially harmful even when off campus when it becomes known to the school.

PARENTS, GUARDIANS OR OTHER FAMILY MEMBERS' RESPONSIBILITIES

Any parent or guardian or other person who materially disrupts class work or extracurricular activities in a place where a school employee is required to be in the course of his or her duties may be guilty of a misdemeanor and risks the continuation of their child in the school. This statement does not apply to any otherwise lawful employee concerted activity, including but not limited to, picketing and the distribution of handbills. Any parent or guardian or other family member who insults or abuses any school personnel risks his or her child's continuation in the school.

Any parent or guardian, or other person who insults or abuses the principal, any teacher, staff member, or students, in the presence of other school personnel, students or parents and at a place which is on school premises or public sidewalks, streets, or other public ways adjacent to school premises or at some other place if the principal or teacher is required to be at such other place in connection with assigned school activities, risks the continuation of their child in the school.

PUBLIC CONDUCT

Students are responsible for the good name of the school. Students who bring discredit to themselves or Pomona Catholic's good name as a result of improper conduct outside of school will be dealt with in an appropriate manner when the misconduct becomes known to the school. Students are encouraged to show respect to each other, as well as teachers and staff at all times. Actions and comments, which may be misconstrued as inappropriate, should be avoided.

BEHAVIOR OUTSIDE OF SCHOOL

A student whose behavior outside of the school jeopardizes the good name of Pomona Catholic School, expresses an incompatibility with the mission and philosophy of the school, and/or presents a potential danger to the school community may be barred from participation in school activities and, furthermore, be subject to a full range of disciplinary actions up to and including suspension and expulsion.

DEMONSTRATION OR DISTURBANCE

In the event of a disturbance, disorder, demonstration, picketing, unlawful assembly or walkout, on or adjacent to School sites, whether by individuals or by groups, a request will be issued by lawful authority to return to class immediately.

Failure to comply with this request within two minutes of announcement constitutes willful disobedience and unexcused absence from class and may result in suspension or expulsion of students.

Students will be notified immediately by a public announcement of their suspension and will be asked to leave campus immediately. Suspended students who remain on campus will be subject to arrest.

Video/audio recording devices are not permitted on campus. Notebook computers and digital cameras are also not allowed at school. Exceptions for school-related assignments must be cleared prior to the date needed.

DISCIPLINE

Discipline in the Catholic School is to be considered as an aspect of guidance and not simply a form of punishment. The purpose of discipline is to promote genuine growth in decision making to assist the development of Christian values, to increase respect for duly constituted authority, and to provide an atmosphere conducive to learning. A student's behavior is indicated by her/his disciplinary record in her school file, as well as by parent-teacher student conferences. The disciplinary record is based on the following:

All-School Discipline Code

1. Respect for all who are members of the school community (teachers, substitute teachers, parents, parent aides, school employees and students).
2. Conduct befitting place and occasion.
3. Honesty in assignments, quizzes, tests and exams.
4. Punctuality for all school functions.
5. Observance of dress code.
6. Observance of regulations regarding eating areas.
7. Moderate* make-up/hair styles and hair color.

*The Administrative Team reserves the right to define "moderate"

DISCIPLINARY MEASURES

Students should know what to expect as a natural consequence of misbehavior. Normally, detention, probation and loss of social privileges are consequences for serious or continued misbehavior at school, on or adjacent to school sites, at Pomona Catholic or Tri-School sponsored events. Severe or chronic behavior can result in extended suspension and/or expulsion. In all matters involving discipline, each case will be handled individually as the situation demands.

WITHDRAWAL OF SCHOOL AWARDS AND RECOGNITION

Any student, who has been suspended and/or has developed a chronic discipline behavior history during the current school year, may not be eligible to be nominated or receive school awards in both the academic and athletic departments. The Vice Principal will document the disciplinary action and the behavior history.

HIGH SCHOOL DETENTION

At Pomona Catholic, we believe that all students deserve the benefits of a safe, secure environment where they can learn and apply the tenets of personal responsibility. Our discipline program is structured in such a way as to model Christian ethics and a foundation of respect for oneself, family, school and community. Age-appropriate decision making skills will always be a part of the guidance the students receive.

Teacher detentions may be given for a variety of infractions within the classroom and as outlined in the course syllabus and aligning with the teacher's classroom behavior management plan. Teacher detentions will be held at the teacher's convenience and as communicated with the student.

School detentions will be issued for recurring infractions that violate school policies, such as excessive tardiness, dress code violations and school rule infractions such as violating cell phone usage policies, designated eating areas and off-limit areas.

School detentions will be issued when several referrals for the same violation have been submitted for the student. When a detention is issued, a student has two weeks to clear it. Detentions are held on Wednesday at 7:10 AM and 3:00 PM in Room 205. Students can attend and clear the detention period of their choice. It is the student's responsibility to clear the detention; she will not be sent reminders past the initial notification, which will be delivered during Homeroom. If a student does not clear her detention within two weeks, a second detention will be issued and she will be prevented from attending any extracurricular programs until both detentions have been cleared, including sports games and practices, theater production and crew, ASB, etc...

The Middle School follows its own separate behavior management plan.

SCHOOL SEARCHES

Students' legitimate expectations of privacy in person and in the personal effects they bring to school must be balanced against the obligation of the school to maintain discipline and to provide a safe environment for the school community. Accordingly, school officials may conduct a search of the student's person and personal effects based on a **reasonable suspicion** that the search will disclose evidence that the student is violating or has violated the law or a school rule.

School officials do not need a warrant or a parent's permission to conduct a search of the student and/or the school's or a student's personal property, as long as they have a reasonable suspicion that a law or school rule is being or has been violated. Whenever a member of the administrative team conducts a search of a student's person or personal effects, an adult witness should be present. Strip searches may only be conducted by law enforcement and may not be conducted by a school official.

Students do not own their lockers or other school property. Lockers are made available to the student by the school. The student does have some expectation of privacy in his or her locker from other students. However, a student may not exclude school officials if the school official has a reasonable suspicion that a law or school rule has been violated.

A student has a greater expectation of privacy concerning his or her backpack, purse, clothing and other personal effects. A school official who finds it necessary to conduct a search of a student's backpack, purse, clothing or personal effects, must have a reasonable suspicion that a law or school rule is being or has been violated. The student's parents should be notified of any such search.

An alert from a trained and certified detector dog is sufficient to allow the school official to have a reasonable suspicion and to conduct a warrantless search of the student's locker, car or his or her personal property and effects. In addition to this policy on searches by the school, every student is subject to the Archdiocesan and school use and privacy policies concerning cell phones and other electronic devices, whether the devices belong to the school or to the student.

If a student refuses to cooperate in a reasonable search of the school or student property (including electronic devices), the student's parents and/or the police may be called for assistance or referral.

In the event that any items belonging to a student are confiscated, the principal should document that fact and, when possible, take a photograph of the place where the confiscated object was found and of the object itself. It is also recommended that the school obtain a signature from the student acknowledging that the item was in his or her possession at the time it was found.

SUSPENSION - SOCIAL PROBATION AND/OR EXPULSION

Social probation prohibits a student from attending any Pomona Catholic or tri-school event. The Vice Principal may place a student on Social Probation due to violations of the Academic/Discipline policies.

SECTION A:

Students are liable for social probation for the length of an academic quarter or a ten week equivalent and/or suspension. Detention or in-house suspension may be given to students by the Vice Principal in consultation with the Principal. Not limited to the following:

10. Failure to meet Academic Probation
11. Abortion (see explanation in this handbook)
12. Gang activity will NOT be tolerated. Students are not to display gang colors, symbols or materials or engage in any gang related activity
13. Falsifying school or teacher records.
14. Chronic disciplinary acknowledgements/contracts and/or detentions.

SECTION C:

In the case of the suspected use of drugs, illegal substances, weapons or stolen property, the school has a right to conduct a search of a student's belongings, including purse, book-bag, locker and vehicle. The school reserves the right to enlist police assistance in the search of a student's person and/or vehicle.

EXPULSION POLICY

The school reserves the right to dismiss any student, who, by her or his conduct inside or outside the school, manifests attitudes and values obviously contrary to those fostered by the School. Such conduct includes items in Section B and any other form of criminal or improper behavior. Causes for suspension or expulsion could include any activity by the student which results in serious damage to the school, or serious consequences infringing upon any person's welfare. Legal Counsel is not allowed to be present at the meeting of the school's Disciplinary Review Board.

If in the judgment of the Administration a student is entirely out of sympathy with the spirit and standards of the School, or is exerting a harmful influence, the student automatically loses any office held, is ineligible for any office for the following year, or may be dismissed or withdrawal requested without any special act of insubordination or defiance. Final judgment on the expulsion of a student will be made by the Principal.

UNCLEARED DETENTIONS: Students may not attend or participate in extracurricular activities until outstanding detentions are cleared.

SUSPENSIONS: Students may not attend any school functions on or off campus during Out-of-School Suspension or In-School Suspension.

HARASSMENT, BULLYING AND HAZING POLICY

Pomona Catholic is committed to provide a safe, nurturing learning environment that respects Catholic Christian values and is free from harassment, bullying or hazing in any form. Harassment, bullying or hazing of any student by any other student, lay employee, religious, clergy, or school volunteer is prohibited. The school will treat allegations of any such conduct seriously and will review and investigate such allegations in a prompt, confidential and thorough manner. This policy shall be communicated clearly to faculty, staff, volunteers, parents or guardians, and students.

Substantiated acts of harassment, bullying or hazing by a student will result in disciplinary action up to and including dismissal of the student. Students found to have filed false or frivolous charges will also be subject to disciplinary action up to suspension and including dismissal.

HARASSMENT occurs when an individual is subjected to treatment or a school environment that is hostile or intimidating. It includes, but is not limited to, any or all of the following:

- Verbal harassment: Derogatory comments and jokes; threatening words spoken to another person.
- Physical harassment: Unwanted physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating interference with normal work or movement.
- Visual harassment: Derogatory, demeaning or inflammatory posters, cartoons, written words, drawings, and gestures.
- Sexual harassment: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

BULLYING is the habitual harassing, intimidating, tormenting, browbeating, humiliating, terrorizing, oppressing and/or threatening of another person. Bullying typically consists of direct behaviors, such as teasing, taunting, threatening, hitting, shoving, and stealing that are initiated by one or more students against a victim or victims. In addition to direct attacks, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion. Whether the bullying is direct or indirect, the key component of bullying is physical or psychological intimidation that occurs repeatedly over time to create an ongoing pattern of harassment and abuse.

Students also may be involved in cyber-bullying, which occurs when they bully each other using the Internet, mobile phones or other cyber technology. This can include, but is not limited to:

- Sending inappropriate text, e-mail, or instant messages.
- Posting inappropriate pictures or messages about others on social media sites, in blogs or on Websites.
- Using someone else's device or user name to spread rumors or lies about someone.

HAZING is any method of initiation or pre-initiation into a student organization or student body or any pastime or amusement engaged in with respect to these organizations which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm, to any student or other person.

STUDENT THREATS

All student threats to inflict serious harm to self or others, or to destroy property, will be taken seriously. Whoever hears or becomes aware of any threat made by a student should immediately report it to a member of the administrative team. The principal should notify the police immediately. The Department of Catholic Schools should also be notified.

The student who has made the threat should be kept in the Main Office under supervision until the police arrive. The parents or guardians of the student who has made the threat should be notified. Any adult or student who has been identified as the potential victim, or mentioned in writing as a potential victim, should be notified immediately.

The student, who has made the threat, shall be suspended until the investigation by the police and school has been completed.

The decision to re-admit a student who has made a threat should be made by the principal on a case-by-case basis.

Practical jokes or comments of a threatening nature will be taken seriously and will be investigated. These actions may result in suspension or removal of a student from school.

This policy shall be communicated clearly to faculty, staff, volunteers, parents or guardians, and students.

- e. All users of electronic communications systems, devices and materials, including, but not limited to, volunteers, clergy and religious, students, employees, staff or contractors associated with the Archdiocese and/or the Location

3. Ownership and Control of Communications

- a. All systems, devices and materials located on archdiocesan premises, and all work performed on them, are property of Location and/or the Archdiocese. These systems, devices and materials are to be used primarily to conduct official Location and/or Archdiocese business, not personal business.
- b. With permission from the person in charge of the parish (i.e., pastor, priest administrator or parish life director), principal or other person in charge of the Location, individuals may use systems, devices and materials, including access to the Internet, for personal business and web exploration outside regular business hours or during breaks. All users are expected to conform to appropriate content management and web surfing guidelines, whether during or outside regular business hours.
- c. The Archdiocese and the Locations, as applicable, reserve the right to monitor, access, retrieve, read and disclose all content created, sent, received, or stored on Archdiocese and/or Location systems, devices and materials (including connections made and sites visited) to law enforcement officials or others, without prior notice.

4. Guidelines for Email Correspondence and Other Electronic Communications

- a. All users of Archdiocese and Location communications systems and devices should use care in creating email, text, video, still images, instant or voice mail messages or in any postings on any social networking site. Even when a message has been deleted, it may still exist on a backup system, be restored, downloaded, recorded, printed out, or may have been forwarded to someone else without its creator's knowledge. The contents of email and text messages are the same as other written documentation and cannot be considered private or confidential.
- b. Email and other electronic communications are not necessarily secure.
- c. As with paper records, proper care should be taken in creating and retaining electronic records for future use, reference and disclosure, as applicable.

- d. Postings to "All Employees," "All Parents," "All Seminarians," "All Parishioners" and the like on intranets or the Internet must be approved by the person in charge of the parish (pastor, priest administrator or parish life director), principal or other person in charge of the Location before they are sent out.
- e. Use of personal electronic communications devices and materials during regular business hours should be kept to a minimum and limited mainly to emergencies.
- f. Archdiocese and Location systems, devices and materials are not private and security cannot be guaranteed. Passwords and user IDs are intended to enhance system security; not to provide users with personal privacy. User account passwords for systems not controlled by a centralized user directory or authentication system must be on record with the person in charge of the parish (pastor, priest administrator or parish life director) principal or other person in charge of the Location.
- g. User IDs and passwords should not be disclosed to unauthorized parties or shared with other employees, students or volunteers. User accounts are intended to be used only by the assigned party.
- h. All information systems that create, store, transmit or otherwise publish data or information must have authentication and authorization systems in place to prevent unauthorized use, access, and modification of data and applications. Systems that transmit or publish approved information that is intended for the general public may allow unauthenticated (anonymous) access as long as such systems do not allow unauthorized posting and modification of the published information.
- i. Any device accessed or used by minors on the Premises must include updated and functioning filters to preclude access to prohibited content. All obscene materials, sexually explicit materials including pornography, and materials that are otherwise harmful to minors or in violation of this electronic communications policy are prohibited and must be blocked. Before allowing minors to access the Internet, a responsible adult must ensure that appropriate content filters are "ON" and functioning.

All files downloaded from the Internet, all data received from outside sources, and all content downloaded from portable memory devices must be scanned with updated or current virus detection software. Immediately report any viruses, tampering or other system breaches to the person in charge of the location.
- l. Critical information should be copied onto backup storage periodically. Backed up information should be stored in a safe place and be available for recovery in case of a loss of the original information. Depending on the complexity of a Location's information systems, a detailed disaster recovery plan may need to be developed.
- m. Computer networks must be protected from unauthorized use. Both local physical access and remote access must be controlled.
- n. Information systems hardware should be secured against unauthorized physical access.

5. Prohibited Practices Users of Archdiocese and Location electronic communication systems, devices or materials and users of personal devices and materials on the Premises under circumstances when the Archdiocese and/or the Location may become implicated in the use may not:

INTERNET

It is unacceptable to use the Pomona Catholic School names, initials, logo, pictures of our school or school activities in connection with anything that is degrading, lewd, threatening or violent. Deliberate publication on the Internet or anywhere else that violates this policy is grounds for expulsion.

CELL PHONES, ELECTRONIC SIGNALING DEVICES AND OTHER EQUIPMENT

Pomona Catholic School does not permit signaling devices on campus without explicit permission, and then only when students are in compliance with stated permission and policy set forth here. This includes walkie-talkies, radios, tape recorders, CD players, video cameras, and other electronic devices. It is understood that many students have cell phones on campus, and permission for this is given when students follow school policy regarding their use. The school is not responsible for the security of these items when they come to school. At the first offense, the parent/guardian will need to make an appointment with the administration in order to retrieve the item. At this time, the parent/guardian will be notified that the second offense will result in confiscation of said item. The item will be returned to parents at the end of the school year.

Upon morning arrival, all cell phones should be turned off, put away and must not be visible.

MIDDLE SCHOOL CELL PHONE POLICY –

Cell phones are strongly discouraged on campus. Cell phones are not allowed on a student's person at any time during the school day. If, for safety reasons, a student must bring a cell phone to school, the cell phone will be placed in the homeroom cell phone holder in the student's designated space for the entirety of the day. The cell phone will be returned at dismissal. Compliance with this policy is for the safety and wellbeing of our middle school students with the focus on learning. Outside distractions take away from the learning process and at this age, foresight is still developing.

HIGH SCHOOL CELL PHONE POLICY –

Cell phones are strongly discouraged on campus.

- Any cell phone which is visible inside the school building may be confiscated. Cell phones may not be used for any reason unless express permission is given.
- Cell phone use will never be requested by a teacher as an academic device. School devices can be loaned to a student, simply contact tech@pomonacatholic.org
- Cell phones may not be used in classrooms, including flex periods, enrichment periods, and homeroom, and should be powered off during school hours.

- Students are permitted to responsibly use cell phones during outdoor breaks. Any violation of another's safety or privacy immediately revokes this privilege.
- If a student uses a cell phone on campus, or at a co-curricular activity, in a way which violates another's safety or privacy, teachers and staff have the authority to ask for and retrieve the device and turn it in to the Vice Principal. Failure to comply will result in a discipline referral for non-compliance and defiance.
- The presence of a cell phone in a students' possession during a standardized test will result in a misadministration and may require the entire class to be re-tested.
- Students must have the inscribed serial number of the device- iPods, iPads, cell phones, tablets, lap-tops, electronics and calculators- before an investigation by the Vice Principal will be launched. Any incident of missing property must be reported to the Vice Principal within 24 hours.
- Cell phones may not be used as translators or calculators or for any reason during the school day, academic or not.

Cell Phone Violation Policies

First cell phone violation- Cell phone will be turned into the Dean of Students, and parents/guardians will receive notification stating the violation. Students must make arrangements to have the phone released to them from the Dean of Student's possession.

Second cell phone violation- At the second infraction, the cell phone will be confiscated and returned to the student with a notice of detention.

Continued violations will immediately issue detentions. Continued violations may result in a probation contract and parent meeting.

ORDER AND CLEANLINESS – CAMPUS

Appearance and upkeep is an important concern to all of us. Each student is RESPONSIBLE for keeping his or her area clean.

Parents are requested to call the school for students in the case of an emergency. Any messages for students must be made through the office. The office will notify students of phone messages only when they are from Pomona Catholic parents or in the case of an emergency. High school- The Pomona Catholic Course Textbook document contains the necessary information for purchasing class resources. This document is emailed to parents upon distribution of class schedules

Middle School- Textbooks are provided by Pomona Catholic, and are the property of the school. Families are charged for the consumable texts used. Students and families are responsible for new replacement costs when books are lost or damaged.

SECURITY

Pomona Catholic School is monitored and secured continually by internal and external devices. The safety and security of students is always considered when establishing school policies.

SCHOOL LOGO/NAME

The school name and logo may not be used without the expressed written consent from the administration. This includes use of school name and logo for academic as well as personal or social reasons in technology/Internet/written communication of any kind.

DRUG/ALCOHOL POLICY

The school administration looks upon possession or use of illegal substances (tobacco, drugs, alcohol) or paraphernalia during the school day or at any school-sponsored event, home or away, whether social or athletic, as an extremely serious offense. If a student should be found drinking, under the influence, or in the possession of illegal substances or paraphernalia, his/her parents will be notified immediately and will be asked to come to school. The student will be subject to automatic suspension, disciplinary probation, and possible expulsion from Pomona Catholic School. Students who are found in possession of or using illegal substances or paraphernalia on the school grounds during the school day are subject to immediate expulsion.

The school reserves the right to search students' belongings and areas under students' control (such as lockers, desks, and cars) in order to enforce school rules and preserve a safe and orderly learning environment. While on campus or at school events, students may be subject to drug or alcohol testing for "cause" or randomly as a condition of continued enrollment following a drug or alcohol violation.

The school considers the consumption of alcohol or the use of drugs as a very serious matter; therefore, any student who violates this rule may be subject to exclusion from participation in any school related activities. Any student who breaches this policy may be required to attend counseling before being re-admitted to Pomona Catholic School.

TOBACCO PRODUCTS

PREGNANCIES

When a student is found to be pregnant, the school counsels the student and her parents, helping the family seek the proper medical and professional counseling consistent with Catholic teaching.

The school will assist the student to continue her high school education. If the student desires to return to school after the delivery of her child, the school shall review all aspects of her case and make a determination based upon its unique circumstances.

A pregnant student is NOT allowed to call attention to her pregnancy, therefore, she will:

- Refrain from discussing her pregnancy on campus,
- Refrain from bringing pictures of sonograms to school,
- Inform her friends that a baby shower or similar party is unacceptable on campus.

Pomona Catholic School does NOT provide prenatal counseling nor prenatal care or teen parenting classes. Pomona Catholic School is a three-story building erected in 1927 with moderate to small classrooms, without elevators and with narrow corridors. Therefore, Pomona Catholic DOES NOT assume responsibility for any accident that could occur as a result of a pregnant student or her unborn child being jostled by passersby in classrooms, on the stairs, or in the corridors.

Should the student choose to return to school after the birth of her child, she will at NO TIME be permitted to bring her child or the child's father on campus.

ABORTION: POLICY AND ADMINISTRATIVE PROCEDURE

POLICY

The teaching of the Catholic Church is clear regarding the inviolable right to life of all human beings, the reverence and respect owed to each person including those conceived and not yet born, and the morally indefensible procurement of an abortion.

Abortion disregards innocent human life, is incompatible with and contradictory to the fundamental teachings of the Church, the mission of the Catholic School, and the values that ought to permeate Catholic education (Gaudium et Spes, 51; Code of Canon Law, 1398)

Catholic teaching does not accept that anyone may justifiably arrange for or procure an abortion for oneself or for another person, be forced or pressured into having an abortion, or influence or coerce another person to have an abortion. Moreover, given the already existing network of prenatal programs and pregnancy counseling available in the Archdiocese of Los Angeles, there is no acceptable reason why any student should be coerced into having an abortion.

Therefore, the involvement of any student in procuring or assisting in the procurement of an abortion is cause for such student to be dismissed from school. Furthermore, if any student's parent or guardian coerces and/or assists in the procurement of an abortion for his or her daughter or any other student, this action is also cause for the son or daughter of that parent or guardian to be dismissed from school.

PROCEDURAL GUIDELINES

In accord with the policy above, each situation regarding abortion will be handled on an individual basis, applying the following suggested procedural guidelines.

If it becomes known to any member of the school community that a student is contemplating or planning an abortion, that member of the school community is to advise the student to contact the administrator or counselor designated for the purpose of facilitating pregnancy counseling. In the case of a parochial elementary school, the designated person will usually be the principal, the student's

pastor, or his associate. All reasonable encouragement should be given to the student to save the life of her unborn child. In all circumstances, the mother of the unborn child is to be treated with compassion and respect.

If the student intends to proceed with the abortion, does proceed with the abortion, or makes known that she has undergone an abortion or that he/she has assisted in procuring an abortion, the administrator, teacher, or counselor to whom this fact is made known, without jeopardizing the privacy of the student, is to contact the Principal for further guidance in handling the situation.

Without jeopardy to the above guidelines, the school retains the right and the responsibility to promulgate and implement disciplinary measures, including expulsion, for public and overt breaches of Catholic moral teaching.

COMMUNICABLE DISEASE

A student who is absent due to a communicable disease must have a statement of release from her physician or from the local health department before being readmitted to school.

HIV/AIDS

The Archdiocese of Los Angeles reserves the right to revise these guidelines at any time for any reason including, but not limited to, changing medical knowledge, legislation, and law.

The Archdiocese of Los Angeles has accepted the United States Bishop's statement, *"The Many Faces of AIDS: A Gospel Response"* as adapted for use within the archdiocese. This Document states:

"Infection with AIDS in and of itself should not be a reason to exclude students from any Catholic elementary or secondary school, religious education program, or institution of higher learning. However, alternate educational and catechetical arrangements may be made for infected students whose behavior has been shown to be a danger to others.

HIV/AIDS is not spread by casual, everyday contact. Therefore, barring special circumstances, students who are infected with HIV/AIDS will be admitted to our elementary and secondary schools. Usually, these students are entitled to all rights and services accorded to other students. Decisions about any changes in the educational program of a student who is infected with HIV/AIDS shall be made on a case-by-case basis. Each situation will be analyzed and responded to as required by its particular facts. Any decision will take into account Christian concern and compassion, community health and well-being, and individual privacy and needs."

Pomona Catholic will undertake an educational effort to inform staff, students, and parents about Acquired Immune Deficiency Syndrome (AIDS). This educational effort will inform persons concerning the nature of HIV infection, including how it is and how it is not spread, according to current scientific evidence; school policy and procedures related to students with diseases such as HIV infection; resources for obtaining additional information or assistance; and procedures to prevent spread of all communicable diseases at the school.

Safety Rules

EMERGENCY DRILLS

Emergency and Fire drills are held quarterly. A sign is posted in each classroom giving specific directions as to the evacuation route to be taken.

All students must observe the following rules:

1. Students seated nearest the doors should open them wide.
2. Students nearest the windows should close the windows carefully.
3. All students should move quickly to their designated areas without running.
4. Lights should be turned off and doors closed and locked.
5. Silence should be maintained throughout the drill until it is complete.

To facilitate exit in case of an emergency, students are asked to keep handbags, books and other articles out of the aisles in classrooms. Students will take their personal belongings with them during emergency, fire or earthquake evacuation drills.

OTHER DRILLS/CIVIL DEFENSE

All other drills (earthquake, lock-downs, etc.) will take place as scheduled and directed by the Principal. All faculty and students are expected to follow the school's emergency policy for such events.

"ZERO TOLERANCE POLICY"

The Archdiocese of Los Angeles will not knowingly assign or retain a priest, deacon, religious, lay person or volunteer to serve in its parishes, schools, pastoral ministries, or any other assignment when such an individual is determined to have previously engaged in the sexual abuse of a minor.

Under the “Zero Tolerance Policy” of the Archdiocese of Los Angeles, any person guilty of sexual misconduct with **a minor under the age of 18:**

- **May not have any paid or volunteer assignment in any "ministry" in the Archdiocese, and**
- **May not volunteer in any "non-ministerial" activity or event where he or she has any possibility of more than incidental contact or supervisory or disciplinary power over minors.**

Any parent or guardian who is a registered sex offender must contact the principal to discuss the requirements in order to assure compliance with the Archdiocese of Los Angeles Zero Tolerance Policy.

As members of the Archdiocese of Los Angeles community, we want to assure that we are in compliance with both Megan's Law and our "Zero Tolerance Policy."

In addition, every parent and volunteer involved on campus, at school activities, field trips, athletics program or in the class is mandated to receive the Archdiocese of Los Angeles VIRTUS “Protecting God’s Children” 3-hour training, or be in possession of a valid (within three years) certificate of attendance at a VIRTUS training session given in the Archdiocese of Los Angeles. A copy of this certificate will be kept by the School.

CONFIDENTIALITY AND PRIVACY

Privacy and Access to Records

Maintaining confidentiality is the legal, ethical and professional responsibility of every member of the school community, including students, parents or guardians, teachers, aides, and all other employees. Every member of the school community must respect the privacy of all students, families, employees, the principal and the pastor.

Pupil Records

“Pupil records” means any record related to a student that is maintained by a school or one of its employees. It includes health records. It does not include “directory information” or a school employee's informal notes, if the notes remain in the sole possession of the maker and are not made available to others, except to a substitute.

Only the principal, as custodian of the records, authorizes the release of pupil records. Only teachers or administrators charged with pupil oversight have the right to view or use pupil records. A teacher’s aide may view or use pupil records only with direct teacher supervision. Pupil records may be released by judicial order such as a subpoena or a search warrant. In specific cases, such as suspicion of kidnapping, police officers may be given access to records.

Parents and legal guardians of minors have the absolute right to access their child’s pupil records in accordance with the school’s reasonable procedures for providing such access. Parents or legal guardians may grant any specified person written consent to access specifically identified pupil records. In cases of legal separation and/or divorce, California state law gives the custodial parent and a non-custodial parent with visitation rights, the right to access and examine pupil records. However, only the custodial parent may consent to the release of records and has the right to challenge the content of the records

and to write responses to information regarding disciplinary action. A non-custodial parent without visitation rights has no right of access to records of any kind.

Directory Information

"Directory information" means one or more of the following items: pupil's name, address, telephone number, date and place birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the pupil.

The school will, to the extent possible, minimize access to student telephone numbers or personal email addresses, unless the parents or legal guardians consent to broader access. To the extent possible, users should try to minimize access to or distribution of student telephone numbers or personal email addresses, unless the parents or legal guardians consent to broader access.

Room parent rosters, class lists, telephone numbers, email address lists or any other personal information about families and students are considered confidential and may be used only for the purposes specified. In no cases should commercial enterprises be given access to Directory Information.

Verbal/Written Confidences

Confidential information may be provided by students or parents or guardians to school employees in many ways. Students may confide in staff verbally, in writing, such as a note or a writing/journal assignment. All school employees must respect the verbal or written confidences of adults and students, except in cases where the health or safety of the student or others is involved. If the confidence received relates to a health or safety issue, the pastor, principal or other person in charge or appropriate authorities must be notified promptly, keeping in mind the rights of privacy that apply. Archdiocesan policy on reporting suspected abuse of children or vulnerable adults must be followed when applicable.

GUIDELINES FOR ADULTS INTERACTING WITH MINORS AT PARISH OR PARISH SCHOOL ACTIVITIES OR EVENTS

Adults acting in a staff, faculty, ministerial or other paid or volunteer position in the Archdiocese are role models who are called to treat each minor with respect and care. Staff members, faculty or volunteers serving either in a paid or volunteer position need to maintain professional relationships with minors whether on or off parish or parish school locations. Please review the following guidelines and sign the Acknowledgment of Receipt" for the file at the parish or parish school where you work or volunteer.

- Staff members/faculty/volunteers will ensure that minors are properly supervised at all times, thus providing them a safe environment. Minors must be viewed as "restricted individuals" because they are not adults and are not independent.
- If staff members/faculty/volunteers who are supervising minors observe a situation where civil law, parish and/or school rules are being violated, they must take appropriate action immediately.
- Staff members/faculty/volunteers should always be aware they have considerable personal power because of their ministerial positions. Therefore, they will maintain respectful ministerial relationships, avoiding manipulation and other abuses of power.
- Staff members/faculty/volunteers must avoid assuming the role of a "father or mother figure" which may create an excessive emotional attachment for all parties.
- Attraction between adults and minors is possible, and care and caution should be taken in all interactions. The parish/school administration should be informed immediately if such an attraction exists. Dating or sexual relationships between a staff member/faculty/volunteer and a minor are inappropriate and unethical. Dating or sexual relationships between a staff member/faculty/volunteer and a minor are unlawful.
- Communications with minors (e.g., notes, email and internet exchanges, telephone calls) must be for professional reasons only.
- Discussions of a sexual nature must always take place in an appropriate educational context. Sexual jokes, slang or innuendo are inappropriate when interacting with minors.
- Staff members/faculty/volunteers will respect confidential information concerning minors or confidential information of a personal nature shared by a minor. However, if a minor shares confidential information that could pose a threat to the minor or to others, the staff member/faculty/volunteer has an obligation to notify the proper authorities.
- When staff members/faculty/volunteers are supervising minors or young adults at parish/parish school-sponsored activities, they may not be under the influence of alcohol, may not consume alcohol in the presence of persons under age 21, nor offer alcohol to them.
- When a staff member/faculty/volunteer is alone in a room with a minor, the door must be open or there must be clear visibility through windows.
- Staff members/faculty/volunteers are to engage in games or sports activities with minors only in the presence of other adults, or in a place openly accessible/visible to others.
- Staff members/faculty/volunteers planning parish/parish school events in their homes with minors must have the permission of the parish/school administration. In addition, staff members/faculty/volunteers may not have any minor in their homes without the knowledge of the minor's parent or guardian. Staff members/faculty/volunteers may not drive minors unless it is to or from a parish/parish school-sponsored activity and may never drive alone with a minor. Driving minors requires parental permission slips that indicate the transportation is by personal vehicle. The parish/parish school administration must approve any use of personal vehicles. Trips involving minors must have a sufficient number of adult chaperones and minors to preclude the appearance of inappropriate personal involvement with minors.
- Parent or guardian written permission is required for the publication of a picture of a minor.
- Adults are permitted to interact alone with minor(s) only after complying with Archdiocesan policies regarding fingerprinting and safe environment training. They may work with minors only as part of a team if they have not these requirements.

Acknowledgement Receipt of GUIDELINES FOR ADULTS INTERACTING WITH MINORS AT PARISH/SCHOOL ACTIVITIES OR EVENTS

I have received and agree to comply with the Guidelines for Adults Interacting with Minors at Parish, Parish School, Youth Ministry or Religious Education Activities or Events of the Archdiocese of Los Angeles.

As stated in the copy of these guidelines:

- **All adults working or volunteering with minors are accountable to follow all policies contained in ministry Handbooks.**
- All adults acting in a staff, faculty, ministerial or other paid or volunteer* position in the Archdiocese are role models who are called to treat each minor with respect and care.
- Staff members/faculty/volunteers serving either in a paid or volunteer position need to maintain professional relationships with minors whether on or off the parish or parish school locations.

These guidelines are part of the commitment of the Archdiocese of Los Angeles to keep children and youth safe and to provide a role model for all minors under our care.

As a Student Volunteer I will not:

- Endorse, during my ministry, any view contrary to the teachings of the Catholic Church.

- Fraternize with minors over the internet or through other forms of communication.

We, the undersigned, have read and understand the Archdiocese of Los Angeles ***Boundary Guidelines and Code of Conduct for Middle and High School Youth Working or Volunteering with Children or Youth***, and will abide by them at all times. We also understand and agree the parent/guardian will be notified at the time of any infraction requiring dismissal from any work or volunteer assignment at the school or parish or other setting where the student is working or ministering, and that he/she will be sent home at the expense of his/her parent/guardian.
